Sites Open for Meal Pick-Up

Updated Friday, March 20, 2020: The sites below have been identified for meal pick-up. Parents/students will be able to pick-up meals via a drive-through line at the entrance of participating schools. No one should be entering schools to retrieve food. Students must be present to receive a meal.

Students do not have to go to the school they attend to participate, so they may access the school site most convenient for them.
